FORCE BULLETIN 5420

From: Deputy Commander, Marine Forces Reserve  
To: Distribution List

Subj: MEMBERSHIP REQUIREMENTS FOR FISCAL YEAR 2005 SELECTION  
BOARDS

Ref: (a) MCBul 5420 dtd Jun 04

Encl: (1) FY05 Selection Board Schedule  
(2) FY05 Selection Board Requirements by Command  
(3) Nominee Submission Format

1. Situation. To publish the requirements for the Fiscal Year (FY) 2005 selection boards identified in enclosure (1). These boards include active and reserve FY 2006 promotion boards, school selection boards, and command screening boards.

2. Mission

a. Marine Forces Reserve will fulfill FY05 selection board requirements with quality personnel, from throughout the force, and submit nominations to CMC (MMOA-3) in accordance with reference (a).

b. Enclosure (1) lists FY 2005 selection boards and anticipated convening dates. Enclosure (2) prescribes the selection board requirements from each command.

3. Execution

a. Commander's Intent and Concept Of Operations

(1) Commander's Intent

(a) The future of our Corps requires that we select the best Marines for promotion, retention, school, or command. In order to reach this goal, COMMARFORRES intends to nominate only officers and staff noncommissioned officers of the highest caliber to serve on these selection boards, the experience of

which will also serve to expand the professional qualifications of those chosen members.

(b) Once selected as a member or recorder for a selection board, the assignment will take precedence over other potential assignments unless otherwise approved by the Deputy Commander, MARFORRES.

(2) Concept of Operations

(a) Quotas have been divided among Headquarters, MARFORRES, 4th Marine Division, 4th Marine Aircraft Wing, 4th Force Service Support Group, and the Marine Corps Mobilization Command based upon HQMC requirements and personnel strengths of each unit at required grade.

(b) In order to ensure nominations are submitted to CMC MMOA-3 75 days prior to the convening date of the board, in accordance with reference (a), nominations must be received by MARFORRES (Manpower Directorate Ops) no later than 90 days prior to the convening date of the board. Once MARFORRES board nominees are consolidated by MARFORRES (Manpower Directorate Ops), the board slate will be reviewed and approved by COMMARFORRES and then the nominations are forwarded to CMC (MMOA-3). When membership is approved by the Director, Personnel Management Division, board member names are incorporated into the board precept. Statutory board precepts (officer promotion boards) must go through the CMC to the Secretary of the Navy for signature. Once this process has begun, changes to board membership are problematic, as the changes must go back through the chain of command for the Secretary of the Navy approval. Promotion boards cannot convene without a precept signed by the Secretary of the Navy. The process for non-statutory boards is similar except these board precepts require CMC's signature. Overall, changing board membership is difficult and can jeopardize a board's convening date. Only bona fide emergencies will be considered.

b. Tasks

(1) MARFORRES Manpower Directorate

(a) Track MARFORRES board membership requirements and ensure timely submission to CMC (MMOA-3).

(b) Ensure board membership is reviewed and approved by COMMARFORRES prior to submission to CMC (MMOA-3).

(c) Notify individual nominees and major subordinate commands, via e-mail, within 1 working day of COMMARFORRES approving members as nominees.

(d) Notify individual nominees and major subordinate commands within 1 working day of acceptance of board membership nominations by CMC (MMOA-5).

(e) Provide individual nominees and major subordinate commands with all appropriate billeting and reporting instructions.

(f) Provide major subordinate commands with appropriate order-writing instructions for respective board members.

(g) Provide funding data for active duty board members.

(h) Fund-approve orders in ROWS for reserve component board members.

(i) Coordinate board membership nominations for requirements assigned to Headquarters, Marine Forces Reserve, as identified in enclosure (2).

(2) Commanding General, 4th Marine Division

(a) In accordance with enclosures (2) and (3), submit selection board nominations to the MARFORRES Manpower Directorate no later than 90 calendar days prior to the convening date of the respective board.

(b) Issue orders to selected personnel within 5 working days of acceptance notification by the MARFORRES Manpower Directorate.

(3) Commanding General, 4th Marine Air Wing

(a) In accordance with enclosures (2) and (3), submit selection board nominations to the MARFORRES Manpower Directorate no later than 90 calendar days prior to the convening date of the respective board.

(b) Issue orders to selected personnel within 5 working days of acceptance notification by the MARFORRES Manpower Directorate.

(4) Commanding General, 4th Force Service Support Group

(a) In accordance with enclosures (2) and (3), submit selection board nominations to the MARFORRES Manpower Directorate no later than 90 calendar days prior to the convening date of the respective board.

(b) Issue orders to selected personnel within 5 working days of acceptance notification by the MARFORRES Manpower Directorate.

(5) Commanding General, Marine Corps Mobilization Command (MOBCOM)

(a) In accordance with enclosures (2) and (3), submit selection board nominations to the MARFORRES Manpower Directorate no later than 90 calendar days prior to the convening date of the respective board. MOBCOM should identify potential reserve nominees from the IRR as well as IMA populations. When potential IMA nominees are identified that are assigned to other operational sponsors, MOBCOM must conduct coordination with that operational sponsor to ensure the Marine is available for the assignment.

(b) Issue orders to selected personnel within 5 working days of acceptance notification by the MARFORRES Manpower Directorate.

c. Coordinating Instructions

(1) Once MARFORRES Manpower Ops receives approval from CMC MMOA-3 of board nominees, the MARFORRES Selection Board Membership spreadsheet will be updated on the shared files and respective Major Subordinate Commands (MSCs) will be notified immediately via e-mail that they can view the list of nominees that have been approved.

(2) Within one week (5 working days) of notification from MARFORRES that board nominees have been approved by HQMC, MSCs must ensure that respective nominees are in receipt of orders for the board.

(3) In situations where changes to board membership are required and justified, requests must be submitted to the MARFORRES Chief of Staff, via MARFORRES Manpower Directorate Ops, with the justification for the proposed change. This request must be initiated by the respective command, using a route sheet. Command preference will not be considered sufficient justification to effect a change.

(4) Officers and staff noncommissioned officers who are presently pending promotion and/or frocked to their current grade are not eligible for board membership at the selected/frocked grade.

(5) All board members, recorders and assistant recorders must possess basic computer skills.

(6) Officers inbound to or outbound from a command within 60 days of the beginning date or ending date of a respective board will not be considered.

(7) Officers and SNCOs recommended as board members cannot serve on boards of the same type during two consecutive years, (e.g., FY 04 and FY 05 USMC Major Selection Board).

(8) Nominated SMCR, IMA, or IRR members cannot exceed 16 cumulative active years of service (5,840 career retirement points) while serving on the board. Nominations of SMCR, IMA, or IRR members with more than 5,840 career active duty points will not be accepted.

(9) The confidentiality of board membership must be maintained. Commands will not divulge the names of members of their command who have been either nominated or selected to serve on a selection board.

#### 4. Administration and Logistics

a. For active component and active reserve Marines, HQMC will provide travel order numbers (TON) to MARFORRES Manpower Directorate (Ops). Those TONs will be forwarded to the respective unit for the issuance of orders. Copies of liquidated travel claims are to be faxed to MARFORRES Manpower Directorate (Ops) for consolidation and submission to HQMC.

b. For SMCR, IMA, and IRR members, orders will be issued as follows:

(1) Upon notification from CMC MMOA-3 of board membership selection, MFR Manpower Ops will immediately notify respective MSCs.

(2) MSCs are responsible for notifying subordinate units and individuals, as appropriate. Reporting units will coordinate orders issuance and travel arrangements.

c. Board membership orders for SMCR, IRR, and IMA members will be funded by COMMARFORRES. In order to ensure proper fund allocation and streamline the orders issuance and approval process, the below ROWS instructions are provided:

(1) For Command select (P) Force.

(2) For Funding Source Select PID J, ADSW BDS/CONF, MARKS XB/BOARDS.

(3) For Fund Approver Select Force XB/BOARDS.

(4) Upon routing the request in ROWS, e-mail the MFR Manpower ROWS POC, who is identified at the following web site: [http://www.mfr.usmc.mil/hq/G1/selection Boards/selection Boards.htm](http://www.mfr.usmc.mil/hq/G1/selection%20Boards/selection%20Boards.htm). Ensure the e-mail includes the ROWS tracking number for the orders. This is required in order to inform the fund approver that there is a pending set of orders awaiting approval.

5. Command and Signal

a. Signal. This bulletin is effective the date signed.

b. Command. This bulletin is applicable to the Marine Corps Total Force.
